WHAT IS MINIATURE ART

Miniature art is known for their impressive amount of detail, often painted in oil with very small brushes. Portraits are the main form, as are landscapes. Most art museums / Royal castles have a small collection of such miniature art on display. However, we accept all kinds of art, as long as the outer dimensions are kept. For instance you can send us video art - if the screen to view it on ("the mount") are within the size limits stated. Your works **MUST** be ready for hanging/presentation. 2-dimensional art are hanged on the walls and must have strings/etc on the back. 3-dimensional art are placed on shelves/tables/columns/etc and must be able to stand on their own.

The maximum outer dimensions for the works submitted, including any kind of frame or mount, are:

Rectangles and ovals - **11.5 cm x 15.0 cm**

Squares - **11.5 cm x 11.5 cm**

Rounds - **11.5 cm** in diameter.

For 3-dimensional objects:
