## WHAT

CMA – Copenhagen Miniature Art – is a yearly open call exhibition of miniature art in Central Copenhagen. It is organized by and presented in Gallery Nybro in January every year. Jury members will be a selection of artists connected with the Gallery.

## WHERE

## WHAT IS MINIATURE ART

Miniature art is known for their impressive amount of detail, often painted in oil with very small brushes. Portraits are the main form, as are landscapes. Most art museums / Royal castles have a small collection of such miniature art on display. However, we accept all kinds of art, as long as the outer dimensions are kept.
